Dear Mr. Hoover:

Special Agent Thomas G. Spencer has advised that each month the parishioners of Our Lady Help of Christians Roman Catholic Church, Avenue M and East 28th Street, Brooklyn, New York, are given a copy of "The Church Bulletin".

This publication reflects local news of interest to the parishioners as well as general news of interest to members of the Catholic faith. Some years ago the pastor, Reverend Henry Churchill, purchased a small house near the Church and converted it into a parish library. This library now contains about two thousand individual books. These volumes are not of necessity religious in nature, but are selected on a family reader interest.

On page seven of the attached Bulletin it states that copies of your recent book, "Masters of Deceit", were purchased by the library and also sets out a most favorable write-up on the book and yourself.

You might be interested in knowing that Sister [redacted] of the nuns that staff this school is responsible for selecting and writing up new books for the library.

Sincerely yours,

Dear Sir:

I am one of the insignificant "little people" of America, but I want to express my deep gratitude to you for your courage in writing and giving to our nation the book, "Masters of Deceit."

Not for a second do I question one word you have written, because I have been the victim of a vicious "communistic purge" in one of the most dedicated church institutions in America - and saw so many of my co-workers subjected to undemocratic and unchristian conditions that I often found myself mentally entertaining the imaginary command, "Conform, Comrade! Conform!"

EX-135 REG-83 62-1471

Yes, it can happen in America! And the weapons and means are so subtle - and the mental power so deadly - that those who see through its false cunning can be destroyed before their shocked disbelief of "it just couldn't be happening here" has turned into sane comprehension that it has already happened here - and to them! Had your book appeared before the above experience, I think I should have known with what I was dealing and what to do about it, instead of regarding myself the dupe of church politics satiated with such lust for power as merely to paralyze communistic modes and methods. ## In Letters to The Bulletin Readers Say:

*John P. Gilmartin*

### Hopes Everybody Will Read Hoover's Story

The Bulletin is to be congratulated and thanked for publishing J. Edgar Hoover's book, "Masters of Deceit." It is interesting and informative reading and exposes the deceitful and lying methods to which domestic Commies will resort in order to further their cause, and, if possible, establish a Communist form of government in these United States.

Nearly everybody reads The Bulletin. I hope everybody reads "Masters of Deceit." We will be better Americans if we do.

LOS ANGELES EXAMINER

RE: "MASTERS OF DECEIT"  
INFO. CONCERNING

To Los Angeles Examiner:

MY FAMILY deeply appreciates the publication of "Masters of Deceit," by J. Edgar Hoover. Why cannot this be required reading in our colleges? In political science courses our young people are learning, realistically, the advantages and shortcomings of our government. This is not enough.

Not so many years ago, I signed a peace movement petition which I know now to have been Communistic in origin. It was later introduced, I think, in the United Nations with an altogether different emphasis. The fact that I was in college didn't automatically give me the good judgment nor the information I needed to be aware of what I was signing.

Let us make our young people aware: If they are to be exposed to Communism, let's prepare them for it. And that preparation could well begin with a reading of "Masters of Deceit."

The Los Angeles Examiner cannot be commended enough for publishing Hoover's book.

NAME WITHHELD.

Second installment of "Masters of Deceit" starts on Page One of the main news section.

### Must Read !!

To Los Angeles Examiner:

I AM so pleased to see your paper presenting "Masters of Deceit," by J. Edgar Hoover, and thus giving thousands the opportunity to read it who would otherwise have missed it.

I firmly believe this book should be required reading for every high school student, so that in time they prepare their own children to refute Khrushchev's boast that our grandchildren will live in a Communist America.

MRS. H. P. BUSS,  
Glendora.

ANONYMOUS COMMUNICATIONS  
KEEP ENVELOPE ATTACHED

Dear Mr. Hoover,

We had enjoyed your book  
very much up until now we are  
in the part of where the Jews are  
persecuted by Commies in Russia,  
Poland or elsewhere. Here we are  
being fooled and refuse to believe it.  
Jews are only loyal to World Jewry  
and if Commies in Moscow were  
persecuted Jews in Russia we would  
have been in N. W. a long time ago.  
Do you think we forget what they did  
in 1938-39-40 & 41 when they were  
"persecuted" in Germany and how every  
Jew in the U.S. was a war criminal  
and pushed us into N. W. II which was  
not our war but today the Jews are  
are fanatic "peace" loving appeasers be-  
cause it concerns Communist Conspiracy, 6  
which they are part of. The Jews are  
not only masters of Deceit but masters of  
mass psychology so when your book  
talks of lying Jews we don't agree. Some  
70 MAY 13 1958 3 Protestants & 2 Catholics

P.S. We have 2 unwise governments,

No 1 and most dangerous is the  
Jew Red 5th column here.

no 2 is the Crime Syndicate

In W.W. II they worked together  
in Italy to kill Mussolini because

Mussolini got after criminals but this

does not mean there are no Jew

Criminals <sup>here</sup> as Mickey Cohen, Kate Waples,  
Gordon, Irving Rosen, Bugsy Meyer,

Bugsy Goldstein, Bugsy  
Louie Zwillman, Lepke & Genach,  
Alce Peles, Red Levine, Stromberg,

will prove otherwise.

## American Legion Presents New Book

In keeping with its Book Project which started in Nov. of 1953, the American Legion Post here presented a 47th book to the Des Plaines Library recently. The new book, "Masters of Deceit," by J. Edgar Hoover, is one of the most outstanding books on the perils of communism today. Started as a memorial to those men who gave up their life in Korea, the Legion has presented a book a month to the library. The books are on Americanism and communism. Pictured above during the presentation are, l to r, James Radlein, chairman of the Book Project; Legion commander Fred A. Wolff; Mrs. Alice Smith, head librarian; and James Marshall, Legion finance officer.

Dear Mr. Hoover,

I would like to congratulate you on your latest book "Masters  
OF in Deceit". In my opinion it is one of the most interesting books I  
 have read. It is truly most valuable too. It gives one the facts on  
 the Communist problem that faces our land today. You have given me  
 new hope and insight on how to defeat this menace.

I have not read the entire book as yet, but I am about one  
 third through it. May I say that I hope everyone in America reads your  
 book. For the noncommunist it serves as a warning and a challenge. For  
 the Communist it will show the lie to the system he supports. Keep  
 up the good work in protecting our land and may God bless and strength-

Many thanks for your thoughtful letter of April 29, 1958, with which you enclosed some of the material developed in your campaign in support of my book, "Masters of Deceit."

The essay by high school student John Vernon is most outstanding and reflects considerable thought. It is very gratifying to know that you covered Mr. Vernon's essay on your three-hour program of April 21, 1958. Needless to say, your efforts in behalf of the book are deeply appreciated.

With Communism, a small handful of men control whole nations. In Russia, with a population of over 200 million people, there are today only about 6 million Communists. But, even though the Soviet Government is the greatest monopoly in history, this monopoly has not had an easy time with the Russian people. Thousands refused to combine their lands into collective farms when ordered to do so by the Soviet Government. But these poor people who killed their cattle and burned their crops to show contempt for this way of life were "liquidated." It has been estimated that up to six million farmers were shot or thrown into concentration camps.

Another principle of Communism which directly opposes our line of thought is the complete absence of religion. Karl Marx called religion the "opium of the people." In Russia, the writings of Marx, Lenin, and Stalin are the "scriptures of the prophets" that are read and studied by the faithful. Workers are denounced by their fellows if they refuse to confess "sins" against the state at regular plant rallies.

To an American the extent of the Communists' power seems incredible. The state controls everything you do during working hours, assigns you to living quarters, owns all the land, and has direct control over the trade-unions. Freedom of speech, press, worship, and assembly, so familiar to you and me, are unheard of.

Now, after this brief glimpse at some of the effects of this deadly menace, ask yourself: "Would I be happy under this type of government?" Of course, any red-blooded American would answer with an emphatic "No!" But unless you do your share as an individual, you are doing the same thing as saying "Yes!" If this boils your blood, let's take a look at just how YOU can help this from being the picture right here in our own country.

The first thing, which many people overlook and fail to do may be summed up in one word—VOTE! This seemingly small but important act, which takes only a few minutes once or twice a year, has a lot to do with what America will be like when our own children are in our shoes many years from now. It is through a weak and corrupt government that the Communists have gained a foothold in the countries which they have so ruthlessly taken over. Of course, as a high school student, I am not eligible to vote yet, but I still have a duty to gain a full knowledge of American history and ideals, so that I will have a sound basis to place my decision on when I am old enough to exercise this great privilege.

It is up to our teachers and educators to present this problem in a realistic manner to the students in our nation's schools, from the lowest grades on up. Only in this way can there be any hope of bringing about interest in the sciences, a field not only important to national defense, but also to the betterment of mankind. It is necessary that the standards of living throughout the world be raised, for the Communists promise a quick and easy remedy for the ills of mankind. They find many followers among people who grasp at any promise of change, without examining whether the change will leave them better or worse off.

Other ways in which the individual American can do his share are summed up as follows:

. . . Join with others in local labor groups, veterans', business, social, civic, and religious organizations—a way in which you can exchange ideas on current events and make your own weight felt about them.

- . . . Keep yourself well informed; understand the United Nations and other international organizations, and America's part in them.
- . . . Buy Defense Bonds and support such groups as Radio Free Europe and the Voice of America.
- . . . Play a role in Civil Defense, our vital guard against attack.
- . . . Show American hospitality and our way of life to students, teachers, and visitors from other countries; recognize your deep responsibility as a citizen of the country that leads the free world.
- . . . Write letters to friends abroad, explaining how America feels, and how much we all need to work together for peace and for freedom.

Both the Communist system and the free-state system believe that they will eventually win the rest of the world to their way of life. But with this big difference: the Communists plan to do it by force, while we plan to do it by helping other peoples set up their own kinds of governments, free of outside domination. We in America are confident that the irresistible surge towards real self-government will in time bring such states to unity of purpose in a free world, but the question remains: "Are you going to do your part in helping to combat Communism, or are you going to let this threatening force which looms overhead seed the clouds of deadly destruction?"

# Discipline Is Way of Life to the Party: Suspicion Can Bring Harsh Reprisal

This is installment 10 in FBI Director J. Edgar Hoover's best-selling book, "Masters of Deceit," being carried exclusively in the Miami Herald.

By J. EDGAR HOOVER,  
Director, Federal Bureau of  
Investigation

Communism today simply cannot be understood without a knowledge of Communist Party discipline: how it is engendered, how it operates, how it tears out man's soul and makes him a tool of the party.

The very core of communism is rigid discipline. Without it communism would lose much of its momentum, terror, and striking power.

The party's constitution provides for a wide range of disciplinary action. An elaborate "a p p e a l s" framework is set forth, under

which a series HOOVER of "courts" is available to hear "charges," with the national convention being the "court" of final resort.

Generally speaking, disciplinary problems on all levels of the party are handled by review and control commissions. They serve as the "courts" to discipline. These "courts" might be hostile to the party.

These "courts" must not be confused with courts as we

know them in the American judicial system. Run by hardened, old-time comrades, they are weapons of party discipline.

The case of John Lautner is one example of the workings of the party's disciplinary system. Lautner had been a member of the Communist party for more than 20 years.

He had risen through the ranks until he was a member of the national review commission and security officer for the party headquarters building in New York City.

In January, 1950, he was ordered to go to Cleveland to help perfect plans for the Communist underground in Ohio. On arrival he was ostensibly taken to a party meeting in the basement of a residence. There he was ordered to remove his clothes and for a period of several hours was subjected to the basest of indignities.

Six other Communists who, Lautner said, had butcher knives, revolvers, rubber hoses, and a recording machine, started questioning him about his knowledge of the underground, his Army record, his relationship with Hungarian defectors, and correspondence with federal agencies.

They accused him of being an enemy agent, a spy, of hiring unreliable people to work in the party defense office, and of protecting government "spies" in the party. Actually,

Lautner was innocent of these charges.

### Party Tasks Don Halo of Sanctity

FINALLY Lautner had the presence of mind to say that he had at his hotel the name of one of the Communist officials conducting the star-chamber proceedings. He was released, and returned to New York, where he read in The Daily Worker that he had been expelled as an enemy agent. Several months later he came to the FBI for the first time and told his story. He testified for the government in several legal proceedings.

The discipline of the Communist Party, USA, indicates unmistakably that Communists in the country think and would like to act in disciplinary matters precisely as do Communists behind the Iron Curtain. We can conjecture what could happen if Communists ever controlled the government.

Communist discipline is a part of the everyday life of the party. It is involved in required attendance of party schools, reading Marxist literature and the party press, and doing party work.

A "conscience of responsibility," as one old-time member termed it, is created. There is a feeling that, whatever one's personal desires and responsibilities, the party's orders come first and foremost and that every task is surrounded by a party "halo of sanctity."

In the name of freedom, the Communist Party is pushing humans into deepest tyranny. If the member persists in error, he must be "flayed without mercy."

"An organization of real revolutionaries," said Lenin, "will stop at nothing to rid itself of an undesirable member."

### There's a 'Too Far' On Left and Right

"DEVIATIONISM," that is, differing from the current party line has led to wholesale purges in the past including the ousting of such leaders as Jay Lovestone, Benjamin Gitlow, Earl Browder, and hundreds of lesser members.

Some may even stray too far to the left. They want the party to be more militant, to hurry up the revolution. That's wrong, says the strict party-liner. Those guilty of left-wing sectarianism must be made to turn around and come back.

On the other hand, many members lag behind the "correct" party position of the

moment. Those who work too closely with "capitalists" are "right-wing opportunists." They had better rid themselves of this "capitalist complex" or else.

Disciplinary scythes can cut down anyone disliked by the leadership for any reason. If you want to get rid of a comrade, accuse him of "left-wing sectarianism" or "right-wing opportunism." He'll probably then be made to appear in a party "court."

Another serious error is being a Chauvinist, the epithet applied to a party member who supposedly thinks himself superior to others.

### 'Chauvinism' Comes In Several Guises

IN PARTY JARGON, different types of "chauvinism" are distinguished. White chauvinism, for example, means that a white comrade, through word or deed, has "slighted" or shown that he feels himself better than a Negro comrade. If the reverse is true—that a Negro member considers himself superior to a white comrade—this produces inverted white chauvinism or Negro nationalism.

There is male chauvinism when men comrades "look down on" women. In one instance a man was accused in the party of disapproving of his wife's smoking. This made him a male supremacist. If a woman thinks she is superior to a man, that's commandism.

To the party one of the most serious charges is that of being an informer. Since 1949, when FBI informants testified at the first New York Smith Act trial, Communists have been terrified of informers.

Member after member innocent of the party's charges have been expelled. "If you have to kick 10 guys out to get the right one," a comrade explained, "that's the way to do it."

As part of its disciplinary program the party encourages what is called self-criticism. Communists say this is proof of the "democratic nature" of their party. Actually, self-criticism plays into the hands of the ruling clique, enabling it to detect dislike of its leadership. Steps are taken accordingly.

Dear Sir:-

My attention has been called to a best seller a non-fiction, which is titled "Master of Deceit," which calls itself "The Story of Communism in America and how to fight it," and which allegedly was written by J. Edgar Hoover, though the style is sadly reminiscent of previous works by the real "Masters of deceit." The above remarks were extracted from a writers who finds fault with the book.

Since distortion is the rule being used to create confusion the book probably should be carefully reviewed.

Dear Sir,

In yesterday's Sun, Mr. Howard Norton reports that Pravda "called on all Communist parties everywhere today to make the most of the Capitalist recession," that "this is their big chance." Such obvious joy over the misfortunes of the unemployed, exposes the truth that Communism's only real interest in workers is one of exploitation, in its relentless, relentless struggle for power, and world domination and control. May I strongly urge every

The entire book merits serious

Dear Mr. Hoover:

In your recently published book, dealing with the activities of the communists in this country, you have used the name "Gladys."

My name is Gladys, and I have been a guinea pig, for the communists, in this country, for many years, in demonstrating the ease with which, one who cannot be controlled, can be ruined. It is of no importance to them, that the name "Gladys" was written into your book, to denote some person, the identity of whom you had concealed by the use, as you supposed, of a pseudonym. There are those who are certain to seize upon this name, pointing to it gleefully, and crying over and over, "you see? you see?! you see!!!"

The long arm of evil reaches, by devious paths, into every walk of life. Could it be, that some one you trust, working upon this book, deliberately inserted the name "Gladys"?

To me, this is plausible, possible, and probable. To the mind of a communist, such an innocently appearing coincidence would indicate a noteworthy cleverness, deserving of high praise, and perhaps reward.

I have been a victim before, why not now? There is nothing, I know of, that you can do to remedy a matter already done, and I cast no blame upon you, although the use of the name "Gladys" in your book will be used to cover the tracks of one, who has used my name before.

May God protect you, and guide you safely through the hazards that surround you upon every side.

Trusting that your book will awaken the people of this country, to the very real dangers they face from communists, both here, and around the world,

I am Sincerely

## Zionists--The Only Real "MASTERS OF DECEIT"

Those who are experienced in examining the writings of Jewish brainwashing groups, immediately recognized in the pages of "Masters of Deceit" the handwork of the Anti-Defamation League of B'nai B'rith and the American Jewish Committee. The main object in promoting this book is to trap the gullible Goy into reading the 16 pages, starting at page 255 which attempts to exonerate the Jews for their part in this world-wide conspiracy. It is a very clever move and we congratulate both the ADL and AJC.

Those who want an anti-communist book, read through the pages until they arrive at the chapter on Judaism and are stunned and confused to be told Jews have nothing to do with communism. To give these 16 pages of whitewash a semblance of fact, they maneuvered a respected name as the author.

Only an amateur would fail to recognize these pages as written by a Jew—a clever effort to convince the uninformed public that 2 plus 2 is five.

Starting in 1917, Jews have been suppressing the sale of every anti-communist book. In the cities where practically all book stores are owned by Jews it has been impossible to buy a book against communism—but THIS is different. They are promoting "Masters of Deceit" in the U.S. and especially foreign countries; page advertisers are influencing newspapers to write editorials and run the whole book in serials; it is also being plugged on the controlled radio and television.

Israel plans on a war in the next two years, and expects the U.S. to send its boys to help kill off the Arabs and thus leave Israel free to annex more Arab land. With the growing understanding that communism was set up and directed by Jews, public sentiment will be against our going to war once more for Jewish interests. Hence, this bold move to maneuver the prestige of J. Edgar Hoover behind their propaganda.

"Masters of Deceit" is a good title. These Pharisees are the world's greatest masters of deceit since they deceived Pontius Pilate into delivering Christ to be Crucified. They deceived our country into World War I and II.

If the Jews have no connection with communism, why do they devote 16 full pages trying to prove otherwise? They do not defend any other group, religious or racial. From 1917 to at least 1950—33 years—Jews have had the same connection with communism in the Soviet Union as an engineer has with a train!

Here in the U.S. the Jews represent about 6% of the population but at least 95% of the spies caught are Jews. When Cong. John Rankin was a member of the Un-American Activities Committee he stated in Court that their files showed that 75% of the Communists in the U.S. were

### Warren Studies Talmudic Law Here

Chief Justice Earl Warren with Dr. Louis Finkelstein, chancellor, on arrival at Jewish Theological Seminary.

Rabbi Stephen S. Wise

"Some call it Communism;  
I call it Judaism."

Warren is not content with the way he has upset the U.S. with his "DECISIONS." He now must study Jewish Law under a Rabbi, this can only be of further comfort to the Communists.

Jewish!

On Dec. 14, 1954, Robert L. Kunzig, (Zionist) on the staff of the Un-American Activities Committee leaked a report to the press smearing COMMON SENSE. The Chairman of the Committee, Harold Velde, was on a honeymoon in Mexico and the Committee knew nothing of the report. Cong. Francis E. Walter, incoming Chairman, stated that the Committee had not seen the report and "this kind of thing is going to stop." The report was written in the N.Y. office of the American Jewish Committee: **THEY ARE THE REAL MASTERS OF DECEIT!**

Up to recent years, Jewish papers, including the B'nai B'rith, their official newspaper, have never uttered one single word against Communism, but have smeared those who dared oppose it. Now that the world is becoming aware that Communism IS Jewish, they are desperately changing plans and posing as anti-Communists.

The following are just a few quotations showing beyond a doubt that Communism, Socialism, and Fabianism are products of the Pharisee who are now known as Jews or Zionists.

"Lenin On The Jewish Question," booklet dated Aug. 9, 1918, by Diamanstein, Jew: "The Council of People's Commissar has instructed all Soviet Deputies to take uncompromising measures to tear out the anti-Semitic movement by the roots; pogromists are to be placed outside the law."

Scholem Asch, quoted by the "Jewish World," London, June 29, 1922: "In Russia peasants, soldiers, everybody hates Jews... Jews of Russia are unanimous in believing that the fall of the Soviets and the grasp-

ing of power by OTHER HANDS would be the greatest calamity for Jews that could be imagined."

The "American Hebrew," the nation's most outstanding Jewish weekly, said on Sept. 10, 1920: "The Bolshevik Revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning, whose goal is to create a new order in the world. What was performed in so excellent a way in Russia, thanks to Jewish brains, and because of Jewish dissatisfaction, and by Jewish planning, shall also through the same Jewish mental and physical forces, become a reality all over the world..."

Theodore Herzl, World Zionist leader, wrote in the "Jewish State": "When the Jews sink, we become a revolutionary proletariat (Communist); when we rise, there also arises our terrible power of the purse" (Capitalistic).

The periodical "Asia" carries the following in its Feb.-March 1920 issue: "In all the Bolshevik institutions the heads are Jews."

From the Universal Jewish Encyclopedia "The Jewish Voice," N.Y. City, for Oct. 1941, carried the following statement by Dr. Chaim Weizmann, world Zionist leader: "We wholeheartedly respond to the appeal of the Jewish rally in Moscow... We are proud of the struggle put up by the Soviet armies whose successes evoke universal admiration and fortify confidence in ultimate victory."

"Without exaggeration it may be said that the great Russian Revolution was indeed accomplished by the hands of the

John Edgar Hoover, F. B. I. Cheif.  
Dear Mr. Hoover:

After having read your series of articles from your book Masters of Deceit, and after having spent seven and a half years in the Waco, Texas Verterans hospital, held their by my then next of kin my, wife so she after marring me in the rights of the Roman Catholic Church could raise our Catholic Baptised daughter in the Protestant faith that in my disagreeing with her personel and personel of the staff of the hospital that I come to find things in communist form that I have clipped from your story that are activities toward some of us while in the hospital and now that I am out, that the clippings I am sending to you, the hospitals attempted "thought controls", Chauvisms against whites, etc, atc, and if nothing else lobotamys for control, smear, degregation in your outside business and social world after getting away from them as I was able to do with the help of a Catholic priest, one of your ex-F. B. I. Agents would have been Attorney, and a devoted girl friend who would have paid to take the thing to court to get me away from the injustices. That I think as a cell of communist operations here in Texas that you keep your eye on and investigate the Waco Veterans Hospital and Federation of Postal Workers Union of Temple Texas. and how they are practising such and carring out things on our American Tax money to hurt, and smear. I am the son of the man who managed in or the first and to his daeth the campaigns of Martin Dies to get him elected to fight Communism and returned to take that advertising and sales agency over and it and me have been practially destroyed by the group above. aroused. One party manual, written by a top leader, recommended:

"Mobilize the children and women in the block in the part of town where the stool pigeon lives to make his life miserable; let them picket the store where his wife purchases groceries and other necessities; let the children in the street shout after him or after any member of his family that they are spies, rats, stool pigeons.

"Chalk his home with the slogan: 'So-and-so who lives

of the class enemy, for acts endangering the party, for issuing instructions in the name of the party which were unauthorized and false, for acts of white chauvinism." A fanatically bitter Communist discipline and hatred is

on the Communist altar. If something goes wrong, the trouble lies, in Communist eyes, not in the policy decreed by those in highest power, but in its human instruments.

The periodic purge is basic in the Communist movement everywhere. Lenin was a firm advocate of purges. He urged: "If we really succeed . . . in purging our party from top to bottom, 'without respect for persons,' the gains for the revolution will really be enormous."

William Z. Foster has declared, "Communist parties, in line with Lenin's teachings, also constantly strengthen the fiber of their organization by cleansing their ranks of elements that have become confused, corrupted, worn out, or defeated in the hard and complex struggle to build the forces of socialism. . . ."

The ousted member in most instances frees himself from the Communist thought-control machine. He is fortunate.

The deepest tragedy lies in the conscious and voluntary submission, day after day, of thousands of party members. I must repeat that these fanatical devotees, giving their all for the party, represent a real danger to our way of life.

When there is a likelihood an expellee might become a government witness, then the Communists, go to work to compile such information as could be used to discourage the witness from testifying for fear of exposure or of being discredited in cross-examination by a Communist lawyer.

Communist discipline has a facet often difficult for some non-Communists to comprehend. Penalties, expulsions and exposure may not be enough; the culprit must pay with his life. The world has been provided with the spectacles in both Russia and the satellites, of "purge" trials which the Communists themselves publicized.

Many victims, renowned for their devotion, had spent their

THESE individuals become "spies," "stool pigeons," "rats," "Trotskyites," "renegades" and "degenerates."

The Communist party employs systematic means of creating hatred against an expelled member, or one who quits the party voluntarily and turns against it. According to its dictates, he must be vilified, blackened, and made to appear the scum of the earth.

Consequently, the discipline of the party, exercised through the functionary, extends to the most intimate details of personal life.

For this reason offenders are often compelled to perform special "disciplinary chores" to "earn their way back," that is, to show through hard work, devotion and acknowledgment of the supremacy of the party in every respect that they should be readmitted to favor.

I have written a report on this book for my teacher in General Education, but I feel I should write you about how much I appreciated the chance to learn just what communism really is and what we should do about it. Believe me, I am going to study my mathematics, science, and English subjects harder than ever now. Also as soon as a course in the Russian language is given in my school I am going to take it so that I can help fight communism too!

Dear Sir:

In reading your chapter on the Communistic attack on Judaism, especially page 257, I am shocked to realize that your organization is so dupeè as to believe the things you profess to believe.

You have, by so doing, made a liar out of our Lord Jesus Christ, where he said, "Ye are of your father the devil and the works of your father ye will do." You made a liar out of Dr. Martin Luther of the great Protestant Reformation who bitterly denounced the Jews in his book, "The Jews and Their Lies." You have made a liar out of the world's foremost historian, Hilaire Belloc in his book, "The Jews," the most logical discourse on the Jewish question in the whole world. You have made a liar out of a great American and Christian, Mr. John Beaty, in his book, "The Iron Curtain over America." You have made a liar out of Mr. R. H. Williams in his book on "The Ultimate World Order." You have made a liar out of Ret. Rear Admiral John G. Crommelin, who is running for Governor of the Sovereign State of Alabama. You have made a liar out of scores of other great Americans, past and present, and by so doing have made one out of yourself.

I just can't believe what I have read in this chapter. I'm shocked beyond words!

Judaism is Anti-Christ! Judaism always was Anti-Christ! Judaism will always be Anti-Christ!

I'm crushed--very disappointed that you have concealed the Satanic power--the hidden hand behind Communism.

If you are a Mason, you are then---why go on? I can't believe what I have just read.

Dear Mr. Hoover,

I think your book "Masters of Deceit" is a must for all peoples of the United States.

I sincerely hope sir, that you will give thought to the younger children who can read but not quite understand all parts of your book as it is written now.

A "Masters of Deceit" for children would go far in teaching our children what communism is, and how to fight it. I also feel that the P. T. A. throughout the country will feel it a must. Possibly not at once, but with the many patriotic organizations we have in our country getting behind it, I'm sure it will be well read.

Please think about it Mr. Hoover and I would appreciate it if you could drop me a line in the near future telling me exactly how you feel regarding a child's version of your fine book, I would appreciate it.

Sincerely,

Dear Mr. Hoover:

I have just finished reading your book, "Masters of Deceit" and I simply wish to express my thanks to you, for taking the time to explain the Communist menace so clearly and concisely.

I, of course, was aware of the Communist Party, but, frankly, was completely ignorant of their aims and tactics. Your book has given me a clear picture of what we citizens must guard against, and I have learned that we must be alert to their devious methods of propaganda.

As adjutant of our Legion Post, I have urged our members to read your book and we have discussed, in general, how we can keep those citizens, we are in contact with, aware of the countless blessings assured by our form of government.

In closing, may I say that the constant efforts of the Federal Bureau of Investigation, to protect the rights of individuals and to keep the United States secure from those who would attack from within, is sincerely and deeply appreciated by all we Americans, though too seldom voiced.

Thanks again,

Sincerely,

Dear Mr. Hoover:

About 5 years ago I wrote you a letter giving my reactions of horror to the kind of tales of so-called "suspense" that are coming into our homes over radio. I recall that I outlined one as an example "Mr. District Attorney." I had enjoyed it for several years, during which time it became more and more gruesome, And it was duplicated by many other programs of the same nature vicious and sadistic not fit for entertainment in any medium.

You wrote me an understanding letter and enclosed several pamphlets on the subject, all of which were interested and showed me you were aware of the menace, and were trying to do something about it.

A day or two ago I heard on radio about a talk you had given, I believe recently, still on this subject of fantastic crimes. I mention my having written to you earlier, and am still fearful of such programs, perhaps to get your attention while I ask a favor.

When your recent book, "Masters of Crime" was announced, I knew I would like to have it in my home as an authentic on the Communist horror.

My family (Wadsworth line) dates back to pioneer days (1632) and I want them to have your book, for the record of C. I might not read it, as am 81 and -- almost blind. But I would like to "leave" it.

But as it must be a unique writing, and uniquely accurate history I would like to have my copy autographed by you and personalized by some brief inscriptions, Would you be willing to do that? My statement as to ancestry is easily verified by the fact that I have been a "Member of record" (not active in D. A. R. since 1915, record traced to Joseph W. who was a Capt. on General Washington's staff. That is enough to have a horror of Communism, and to want my family to have your book.

I find that the price is \$500, about 17¢ parcel post, and if you will do this for me, I'll mail check to cover.

Appreciate any trouble this might cause you,

Sincerely

/s/

Dear Sir:

In reading the paper's (Oregon Journal) I notice your very fine column on Master's of Deceit. This truly is a very good clear picture of what's been going on in the Communist Party in America. I wish we could get more of this material out to the American people. I am for this year the Comander for Fallin Post 132 American Legion Myrtle Creek and if we could get a motion picture or some literury to pass out on this menace it would help a great deal. Honorable Sir:

I have read with great interest the subject matter of your enlightening book "Masters of Deceit".

About the year 1928 I became interested in the Communist Menace and read all the Papal Encyclicals and warnings beginning with those of Pope Pius the IX<sup>th</sup> (Pio Nono)

I have come to grips with the problem as the President of a labor union and in Government Service as an Inspector of Naval Material. In addition, I have read the views of almost every competent authority on the subject.

When too, I supported the patriotic work of the late and beloved Senator Joseph R. McCarthy in numerous articles in the readers column of the Milwaukee Sentinel from the time he launched his Anti-Communist campaigns.

With the above representations as background I have often wondered why the FBI never went on record as the appropriate governmental Agency advocating the outlawing of the Communist Party in the United States

Mr J. Edgar Hoover  
Federal Bureau of Investigation  
Washington, D. C.

Dear Mr Hoover:

I am reading with interest your very informative and frightening account of Communist treachery in the New York Evening Journal. If your book fails to awaken the American people to the awful truth about this conspiracy then all is surely lost.

In my own small way I have been trying for the past three or four years to arouse people to the doom we are facing because of our own apathy and the treachery of so called Liberals in our midst. I have written hundreds of letters to legislators and Americans in high places. I cannot truthfully say that I have accomplished very much. My own family consider me to be somewhat of an oddity because of my fears of impending Communist domination. I believe this to be the tragedy of the times that people do not seem to grasp the situation that faces us today.

While we bend every effort to seek a lasting peace through our statesmen and the president is willing to go to the ends of the earth for that purpose, the Communists do not really want war but seek to conquer us by treachery, infiltration and bankruptcy. It would be better for the future of America and mankind that we take calculated risks that might lead to war. We had an opportunity to come to grips with the Reds in Hungary but we again listened to the Liberals in high places and failed miserably. Wouldn't it seem to you that rather than lose everything through infiltration we risk a war even though two million or more lives might be lost?

How long can we go on under present circumstances with the breakdown in our American way of life becoming more apparent every day. Our schools here in New York State have become the experimental play thing of people of questionable loyalty. Every year we turn out thousands of uneducated and practically illiterate morons. Our politics are being infiltrated by so called Liberals using bogus endorsements. Juvenile delinquency spawned in our public school system is a shocking scandal. To me this is all part of the Communist pattern to break down our morals, turn our youth into robots who will become street fighters when and if the day arrives when revolution becomes necessary for the take over.

I wish it were possible for the FBI to send junior agents into our public high schools and report what is really going on. I will give you one incident that I am personally aware of in regard to the present method of teaching in our New York high schools. A friend of my daughter told her that her history test consisting of the following. Seven questions, six of which she could find the answers for in her text books, the other she had to know. When turning her test paper, in she informed the teacher that "she only had time to look up four answers." The teacher replied it was all right, it didn't make any difference any how. This, Mr Hoover is only a sample of what goes on in our public high schools. All part of the Communist pattern as I said before. Where all this will end only God knows and we certainly need his help if we are to survive.

TO : The Director

DATE: May 2, 1958

FROM : J. P. Mohr

SUBJECT: The Congressional Record

Pages 7024-7025, Senator Johnston, (D) South Carolina, spoke concerning Loyalty Day and the Communist menace. Mr. Johnston stated "For an understanding of what is communism we have the precise and complete definition of no less an authority than J. Edgar Hoover, head of the Federal Bureau of Investigation, who in the opening pages of his Masters of Deceit, an able expose of this menace, states:....." He quoted from the book. Mr. Johnston went on to state "Mr. President, this is a vivid and stirring message from the man who has done so much to fight the Communist conspiracy on the home front. We would do well to take his warning to heart." He further stated "Mr. President, I cite these important truths so that we will be ever mindful of the nature of the struggle in which we find ourselves caught on loyalty day, 1958. It is a good time for us as individuals and as a people to rededicate ourselves anew to those tried and proved principles which conceived America and brought her to her present eminence in history."

Reference is made to the attached letter dated May 6, 1958, from the above-captioned individual. You will notice that in the first paragraph Mr.  makes favorable reference to the Director and the FBI, however, the remainder of his communication is devoted to a very strong attack against the chapter in "Masters of Deceit" relative to communism and Jewish groups.  apparently has studied this problem and cites a number of references to prove his point that Jews have played a very large part in the promotion of communism especially in the 1917 Bolshevik Revolution.

It is apparent that  possesses very determined opinions on this subject, and it is felt that any letter we might send him would only encourage him to write additional hostile communications. It is felt that for this reason his letter should not be acknowledged. Bufiles contain nothing identifiable with

CRIME REC.

832 Church Lane, Yeadon, Penna., May 6, 1958.

PERSONAL

Mr. J. Edgar Hoover,  
Federal Bureau of Investigation,  
Washington, D. C.

EXP. PROC 32  
MAY 17 1958

Dear Mr. Hoover:

Before touching on the subject matter which prompts this letter, let me say that over the years I have been one of your many ardent admirers, reading with much interest any pronouncements you make, and needless to say noting with pride and satisfaction the great work of your organization which at times appears to be the only barrier between our way of life and atheistic communist enslavement.

The heading over Chapter XXI of your Masters of Deceit, as printed in the Evening Bulletin, Philadelphia, reads: "Red Propaganda Fosters Malicious Myth About Jews", and then follow these statements: "The Communist propaganda machine with its tactics of infiltration and division has long fostered the false claim of widespread influence in the Jewish communities of the United States. One of the most malicious myths that has developed in the United States is that persons of the Jewish faith and Communists have something in common."

The part played by Jews in the Russian Revolution is abundantly established by the record. Specifically, Mr. Oudendky, Minister of the Netherlands in Petrograd, who then was looking after British subjects and interests in official capacity, in place of the British representative, Captain Cromie, who had been murdered by the Bolsheviks, reported in his official document dated 1917:

"I consider that the immediate suppression of Bolshevism is the greatest issue now before the world, not even excluding the war which is still raging, and unless, as stated above, Bolshevism is nipped in the bud immediately, it is bound to spread in one form or another over Europe and the whole world, as it is organized and worked by Jews who have no nationality, and whose one object is to destroy for their own ends the existing order of things."

The American Hebrew, the Nation's most outstanding Jewish weekly, said on September 10th, 1920:

"The Bolshevik Revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning, whose goal is to create a new order in the world. What was performed in so excellent a way in Russia, thanks to Jewish brains, and because of Jewish dissatisfaction and by Jewish planning, shall also, through the same Jewish mental and physical forces, become a reality all over the world."

It is estimated by Jacob Schiff's grandson that the old man sank about \$20,000,000 for the triumph of Bolshevism in Russia, and the Overman Report states "that of the 388 members of the revolutionary government in 1918, only 26 were real Russians, one was a negro from America, and 371 were Jews, 265 of whom came from the Lower East Side of New York."

Nothing has occurred to indicate a disassociation of Jews from communism in the United States, the association to which your book refers as a "myth." "In fact, communism could be crushed in a week if the Jews generally were sincere in their efforts opposing communism", so says Major General George Van Horn Moseley in his letter to the then Attorney General Brownell on May 12, 1955. To state there is no connection between the two is to impugn the facts as well as the intelligence of such patriots as General Stratemeyer, General Moseley, Admiral Crommelin, Colonel Beaty, Colonel Lindbergh, Major Robt. H. Williams, Lt. Col. Paul del Valle, Senator Jack Tenney, Robt. Edward Edmondson, Congressman Hamilton Fish, Congressman Rankin, Elizabeth Dilling, Mrs. Van Huyning, Henry Ford, Sr., Judge Armstrong, Gerald L.K. Smith, Conde McGinley, Upton Close, Rev. Fahey, Dr. Gerald B. Winrod, and many others.

EX-117 REC-2A

MAY 13 1958

In the clean-cut communist issue over Senator McCarthy, practically every Jewish organization in the country with the exception of the American Council for Judaism and the American-Jewish Anti-Communist League (both composed of such outstanding Jewish patriots as George Sokolsky, Roy Cohn, Alfred Kohlberg, David Lawrence, Rabbi Berger, Rabbi Schultz, etc.), followed the communist line, and I know in some instances at least, made it very uncomfortable for those who followed the anti-communist line. This does not indicate a disassociation with the Communists, but quite to the contrary.

The Jews convict themselves a thousandfold by their own statements. Robert Edw. Edmondson has very capably covered this phase of the story in his book "I Testify." Senator Jack Tenney has fully exposed the American Jewish Committee and the Anti-Defamation League in his "Zion's Fifth Column." Major Robt. H. Williams has also written a book on the Anti-Defamation League, and another called "Know Your Enemy."

Some time back I understand a smear book against you and the FBI was authored by Asst. Atty. Genl. Max Lowenthal (a Jew and an Anti-Defamation League agent). I fail to see anything mythical about this.

Captain A.H.M. Ramsay (Member British Parliament) has written a book, "The Nameless War". In commenting on this book he says, in part, "After a brief review of the forces behind the declaration of war and the world wide arrests of many who endeavored to oppose them, the author describes the anatomy of the Revolutionary International machine--the machine which today continues the plan for supra-national world power, the age-old Messianic dream of International Jewry."

Lieut. Colonel J. Creagh Scott (British) says of his book "Hidden Government", "Everywhere that the research work on this book led through the past several years it led sometimes directly and unmistakably, at other times by devious and hidden paths, but always to the same source and origin of the world's manifold troubles--namely, what has become known to millions of people all over the world as THE PLAN--meaning, of course, the Protocols of the Learned Elders of Zion.

Dr. Oscar Levy, famous Jewish writer, says:

"The question of the Jews and their influence on the world, past and present, cuts to the root of all things and should be discussed by every honest thinker."

A great cry went up all over the world when Hitler, during wartime, persecuted Jews along with others, but nothing was said, in fact it was denied by Communist Russia (which was unquestionably dominated by Jews at that time) when somewhere between ten and fifteen thousand Poles were liquidated in the Katyn Forest massacre.

And I should like to say that I know I am one of millions of people in this country and throughout the world who consider what the Jews did to the Arabs, with the consent of our Administration at the time, worse than anything Hitler ever did to the Jews in Germany regardless of any provocation he had, or might have imagined he had. But we are not being propagandized into a war to protect the Arabs, who at one time were our staunch allies.

With all good wishes, I am,

Very truly yours,

SUBJECT: EMERGENCY CIVIL LIBERTIES COMMITTEE

The SAC, Miami, by letter dated April 29, 1958, has advised the Bureau that on April 28, 1958, [redacted] Managing Editor "Miami Herald" had furnished the Miami Office a copy of a letter which the "Miami Herald" had received from [redacted] Director, Emergency Civil Liberties Committee. The letter states that reprints from "Masters of Deceit," which have been running in serial form in the "Miami Herald," carry references to the Emergency Civil Liberties Committee which are most misleading. [redacted] stated he planned to ignore the letter since he was aware of the character of the Emergency Civil Liberties Committee. The Bureau has maintained cordial relations with [redacted] and his paper.

Examination of [redacted] letter to the "Miami Herald," (copy of letter attached) reflects it is essentially the same as the letter sent by [redacted] to Henry Holt and Company (copy also attached). In fact, much of the wording is identical. It seems probable that [redacted] using a form letter, may be writing to various papers which are carrying the serialization in continuance of his campaign against the Bureau and the Director personally. Both letters are dated April 25, 1958.

An examination of the text of the serialization reflects that in installment three (scheduled for publication on April 15, 1958), the Emergency Civil Liberties Committee is described in exactly the same words as in "Masters of Deceit". In the preceed of installment five (which does not appear over the Director's name), the group is mentioned in these words: "After the 'Civil Rights Congress' became ineffective, the 'Emergency Civil Liberties Committee,' credited with one hundred and fifty 'founders,' from thirty-nine States, including fifty educators, clergymen and members of other influential professions, took over some of the activities previously handled by the 'Civil Rights Congress.'" In installment 15, it is briefly mentioned as an example of how the names of sponsors are used on letterheads by communist-line organizations to hoodwink noncommunists, while in the preceed of installment 18, the ECLC is mentioned, along with other groups, as examples of organizations created, backed or captured by communists. These installments have already appeared.

Dear Mr. Hoover:

I read with approval your straight-forward comment about the Supreme Court. This no doubt will bring reprisals of sorts from the so-called Liberals, but I hope it will also rally to your support a large and dedicated body of Americans. They are present in great numbers but it's almost impossible to mobilize them for any effective action. Golf, bridge, trips and cocktails parties use up all of their time and energy.

I'm halfway through Masters of Deceit and hate to lay it down. Every American is in your debt for a job which took 4-1 for skill, devotion and courage.

This book should be a textbook from Junior High to the very top.

My very best to you.

# THE POPES, MR. HOOVER, THE POPES!

By REV. JOSEPH G. MCGROARTY

WITH ALL the wisdom of hindsight, the Director of the Federal Bureau of Investigation has written a commendable expose of the menace of communism in these United States. With a rapidity only a little less than phenomenal, J. Edgar Hoover's "Masters of Deceit" (New York, 1958, Henry Holt & Company) has climbed into the money positions on the nation's best-seller lists of non-fiction. It is one of many, perhaps the best, of a long series of post-World War II published revelations of communism, portrayed with all its works and pomps. Mr. Hoover's official position enables him to write with more authority than any of his American contemporaries. He writes too with a sincerity that is beyond question.

What he has to say in the pages of his deservedly best-selling "Masters of Deceit" has been said before. It has been said many times before, and said with an authority which exceeds that of the most dedicated and selfless civil official. The condemnations which Mr. Hoover rightly directs against the evils of communism have been leveled more than once, by more than one of the Vicars of Christ on earth. Years before J. Edgar Hoover saw the light of day, Popes of the Catholic Church had recognized for what it is the darkness of communism.

In 1848 the German-born atheist, Karl Marx, published his "Communist Manifesto". To the unthinking and complacent it was nothing more than an ineffectual and visionary social blueprint. To the "Prisoner of the Vatican", Pope Pius IX, it was a positive evil — not for what it had done, but for what it proposed to do, once given the occasion. Even if ineffectual in practice, it merited condemnation on principle. To the

J. Edgar Hoover: Glaring Omissions Mar His Excellent Book. —(Karsh Photo)

farsighted Pontiff it was diabolically immoral for what it advocated. The Chief Shepherd of Christendom could not sit idly by until the red menace had enslaved one nation after another. No need for him to feel the serpent's bite to know it to be venomous.

Pius IX, therefore, included among heretical propositions worthy of condemnation and detestation the pernicious error of communism. It was one of a long series of dogmatic and moral falsehoods listed in his courageous "Syllabus of Errors", promulgated in 1864 — almost a century before the appearance of Hoover's widely circulated "Masters of Deceit". Millions today have tragic cause to lament that the nineteenth century papal warning was not heeded.

The "Syllabus" cites communism as "that infamous doctrine . . .

which is absolutely contrary to the natural law itself, and if once adopted would utterly destroy the rights, property and possessions of all men, and even society itself." Nowhere in the pages of his recently published exposure of the red menace does the FBI chief mention this prophetic condemnation. Nor does he acknowledge familiarity with another Sovereign Pontiff's evaluation of the same hellish doctrine. Without benefit of 6,000 trained government operatives, Pope Leo XIII in 1878 recognized communism as "the fatal plague which insinuates itself into the very marrow of human society only to bring about its ruin."

Although J. Edgar Hoover reviews historically the ups-and-downs of communism, he makes no mention of Popes Pius IX and Leo XIII. In a sketchy account their omission might be justified. But certainly the name and definitive encyclical letter of Pope Pius XI demand a place in any resume of Christianity's struggle against Marxism-Leninism. It was on the Feast of St. Joseph, March 19, 1937, in the sixteenth year of his pontificate, that the late Pope Pius XI, gave to the world the classic analysis and reasoned denunciation of communism. All other worthwhile subsequent works on the subject have served only to confirm and to substantiate the infallible pronouncements set forth in this 31 page pamphlet, titled "On Atheistic Communism" (Divini Redemptoris).

The thoughtful reader of Mr. Hoover's popular book will wonder why the Catholic Church is overlooked in the story of this fight of right against wrong. One is inclined to ask to what class of readers the author is appealing when he ignores the one only society which has effectively resisted communism over the years. Not once has the Church of Rome compromised with the evils emanating from the Kremlin. This is a great deal more than can be said of that great republic of which

Hoover has shown himself so loyal an agent. Not once has the blemish of Marxist - atheistic - materialism stained the seamless robe of the Bride of Christ — the Church Catholic.

In 1949 the present gloriously reigning Bishop of Rome, Pope Pius XII, decreed excommunication as the ecclesiastical censure for any Catholic in Italy who would dare to join or to assist the communist party. Nine years later, "The Masters of Deceit" appears, purporting to reveal to a shocked and uninformed world the subtle dangers of this Soviet brand of atheism.

J. Edgar Hoover's approach to the basic fallacy and danger of communism is a sound and wholesome one. It parallels in instance after instance Pope Pius XI's remarkable encyclical letter on "Atheistic Communism". To this writer the parallel is so close as to preclude the probability of pure coincidence. At times even the wording of the two texts is similar. These considerations strengthen, rather than diminish, the validity of the later work. For it would be difficult for any writer to base his investigations and conclusions upon foundations more secure and incontrovertible than the pronouncements of infallible authority.

Is the reader to assume that a trained investigator of Mr. Hoover's stamp actually overlooked evidence so germane and conclusive as the papal encyclicals?

Mr. Hoover has written an excellent, albeit an incomplete treatment of this age's scourge. It does deserve the wide circulation of which it is already assured. Hoover writes as a sincere and dedicated public servant. But for all that, one wonders why he deemed it expedient to pass over in silence — for the omission could only have been calculated and deliberate — the one organization honestly capable of saying to a fearful and red-menaced world, "I told you so!"

SUBJECT: REVEREND [REDACTED]  
RECTORY OF ST. MARY STAR OF THE SEA  
1920 NEW HAVEN AVENUE  
FAR ROCKAWAY 91, NEW YORK

Reference is made to the attached letter dated May 8, 1958, from the above-captioned individual. [REDACTED] enclosed a copy of a church bulletin entitled "Stray Notes" from the Shrine of the Little Flower, published by St. Peter Claver Church, Brooklyn, New York. This publication contains an article entitled "The Popes, Mr. Hoover, The Popes!" written by Reverend Joseph G. McGroarty.

You will recall that by letter dated May 4, 1958, McGroarty, who is Assistant Pastor of St. Peter Claver Church, furnished the Director a copy of "Stray Notes." The article by McGroarty is very critical of the Director's book, "Masters of Deceit," in that McGroarty felt that the Director should have mentioned the Catholic Church's fight against communism and mentioned also the denunciations of communism by certain Popes.

Because of McGroarty's critical comments, his letter was not acknowledged.

It is to be noted that [REDACTED] in his letter indicates that the book was excellent, but that he believed that Father McGroarty had a point. This would indicate that he shares McGroarty's critical opinions concerning "Masters of Deceit." For this reason, it is believed that [REDACTED] letter should not be acknowledged. [REDACTED] is not identifiable in Bufiles.

RECOMMENDATION:

That [REDACTED] letter not be acknowledged.

Dear Mr.

It was indeed reassuring to read your interesting and thoughtful letter of May 2, 1953, with enclosure, in which you suggested a method to alert the American public on a continuing basis to the insidious nature of atheistic communism.

Your suggestions and observations are certainly well taken and are deeply appreciated, as are your generous comments regarding my book, "Masters of Deceit."

With personal gratitude,

Sincerely yours,

Mr. J. Edgar Hoover  
 Director  
 Federal Bureau of Investigation  
 United States Department of Justice  
 Washington 25, D. C.

Dear Mr. Hoover,

An idea on how to insulate the minds of Americans against the propaganda techniques of the Communist conspiracy struck me when I came across this enclosed FBI bulletin which appeared in a small Wisconsin weekly newspaper. Presumably, such bulletins are sent to all newspapers over the nation. I think there are about 7,000 weeklies and some 1700 or so dailies, though I am not positive on these figures.

My idea is this: why could not this same vehicle be used to point out the current Communist propaganda line and techniques of infiltration? We know that the tactics of the conspiracy change like the colors of the chameleon. Hence, a vehicle such as this would serve to keep the citizenry updated before the "poison" of the enemy could achieve any headway.

As you probably know, International News Service does this sort of thing in its news coverage. It has a special writer, Jack Lotto, who keeps abreast of the Communist moves and reports them weekly. This serves as a fine guide. Now if the FBI were to circulate a weekly, or periodic "Beware..." by the FBI...pointing out what the current Communist line and techniques were...insofar as the public should be alerted without jeopardizing any confidential activities...I believe it would be very helpful.

The tremendous reception which your book, Masters of Deceit, is getting nationally, despite the New York Times review, indicates that the American people are thirsting for authoritative, factual, politically-untinged and reliable information concerning this awesome evil which is the ultimate in intrigue. The virgin mentalities of the average American need a steady insulation against the ever-persistent efforts of those eroding forces which have vowed to wage an unremitting, ceaseless siege upon our citadels until we are fatigued and paralyzed, prostrate for conquest.

As the inevitable showdown approaches between the God and anti-God forces, it will become more and more apparent to us that we must utilize our most effective avenues if we are to survive. Since the great battle now being fought is for the control of the minds of men, think we would be missing a great opportunity to keep alive the wonderful flames that have taken ~~place~~ through the publication of Masters of Deceit. As a unique follow-up to that magnificent treatise would not the regular circulation of bulletins telling of Communist campaigns currently in vogue along with the current party line be beneficial in preventing many Americans from being "sucked" in by noble-sounding objectives and projects, all of which are serving to camouflage a sinister conspiracy?

It may be that this is outside the area of the FBI, insofar as it delves into the propaganda area, and that it might lead to criticism of the FBI. However, if the idea were to be effective, this criticism undoubtedly would be voiced by certain dissident elements for the very reason that it was effective.

There maybe other reasons that you might find that such an idea is impracticable or beyond the control of the FBI. But I cannot help feel but what anything we do in the way of getting to the people the truth, on a day to day basis---or week to week basis-- would be a dynamic blow for our cause. We know of the intense efforts being exerted to hamper the FBI, the investigating committees and all those who attempt to inform the people. This then would seem to be a most competitive area wherein the newspaper columns of thousands of papers are thirsting for the official words of our most authoritative anti-Communist concerning the momentary zigging-and-zagging of the conspirators.

If the suggestion were acceptable, you might consider the fact that dates would be very important since some little newspapers often keep things in "overset" and run it at a later date. For instance, I know of one case where a Congressman sent out a news release shortly before he died. It was put in type and not used but held up in "over-set." Some weeks later, the story was printed, even though the Congressman was deceased. It had the effect of a deceased man making statements on vital issues of the day. Hence, if the current campaigns of the Communist Party were to be pin-pointed, it would be well to indicate that such was the case as of such-and-such a date.

Turning from that suggestion to your book, Masters of Deceit, I have not obtained my copy yet, but plan to buy one soon. I have read many favorable reviews inserted in the Congressional Record concerning it and also the New York Times review, which is symptomatic of the very point that you have stressed so often. You perhaps know that the Milwaukee Sentinel has been serializing the book, and I have had opportunity to read some of those instalments. I know of several instances where people have purchased copies and placed them in libraries which have been swamped with demands. One foundation in New York, I know of, has placed quite a number of copies..of the book that is. Some of us who have been trying to do our little part "on the hill" in this great ideological war have thought that this is one of the finest things done for a long time in the preservation of American liberty...your writing this book. It could well go down as one of the most significant literary contributions in history if mankind is still around to evaluate such things in the years to come.

Trusting that this long letter has not imposed upon your most urgent work unduly, and hoping that there may be something of constructiveness in it, I am

Dear Mr. Hoover:

Your book Masters of Deceit was excellent. It is the first action I have seen with which I could cooperate in anti-communist activity.

But I do not find a group or person that I can contact that is specifically fighting communism or promoting democracy to fight communism.

In our business we do sales planning, executive development and public speaking. Specific programs for specific problems.

You are much more familiar with the problem than I am, but we ought to at least have some name, an address and a telephone of the anti-communist pro-democracy group advertised so that average citizens could easily contact them.

Before I can volunteer my services I have had to read the articles in the San Francisco Examiner, read your book, phone the local Federal Bureau of Investigation and then write you a letter.

From the telephone book

I am personally grateful to you for having written a book. If anyone is going further I would like to help them.

During several of the past conferences of the NATO Special Committee, we have described various methods used by the Bureau to expose the Communist Party, U.S.A., for what it actually is and to attempt to educate the American public as to the dangers of communism.

We have placed a copy of "Masters of Deceit" in the library of the NATO Security Bureau which is available to all services represented at the Special Committee, and we will point out at the forthcoming conference that this book is another example of the Bureau's attempts to expose the CPUSA as a part of the Moscow conspiracy to take over the world.

Copies of "Masters of Deceit" have been made available by Legal Attaches to almost all of our good contacts in the European security services.

May 7, 1958.

My dear Mr. Hoover,

As my son can buy himself the necessities of life, I have, for several years been giving him books to add to his very fine (and partly my father's) library. When possible, I obtain autographs for these.

For his 40th birthday, May 24th, I have your book "Masters of Deceit" for him which I expect to take personally to him in Lake Fluff, Illinois and on the 27th share my own birthday with him, his lovely wife, three sons and daughter. (I will be sixty - two.)

This is to ask you if you would please be so kind as to send me your autograph with a brief inscription to Roger Conant LaCroix, my son. I cannot tell you how I would appreciate it. And I am positive it would be a thrill for him. He is a member of the firm of Paine, Webber, Jackson & Curtis, (a banking firm fairly well known I believe.) I would paste your autograph in the flyleaf. This is one way, and my only way, I can give him valuable presents.

Now, I can give you "references" for us both.

I moved to Colorado Springs from Boston in 1924 and after my marriage to Mr. Currie (now divorced) I had the pleasure of having "Dad" Bruce, (now Chief, as you know) drop in to visit with Mr. Currie often. "Dad" has been most kind to me writing notes for me to carry on several cross-country tours alone, in case I ran into any trouble. It is a great feeling of security to have that in my purse. But nowadays, "Dad" is so busy with the size Colorado Springs has grown, I did not

bother him last year when I decided to drive into Canada, and did, all alone, from Winnepeg to Banff. The only scares I had, fortunately, were seeing a wolf as I crossed Manitoba, and a moose above Lake Louise toward Jasper. I hope this summer's trip (with a California granddaughter of 12) to Victoria will be as calm a one!

I enclose a stamped envelope to expedite your, I pray, autograph, to me in Colorado. I have been in Santa Fe since January "sitting" in people's homes while they go on trips. It's a low-paying "job" I chose while I make up my mind whether to "take to my rocking-chair" here or in Colorado Springs. I like small towns, and so this one probably will be it. And the climate almost ideal, I think.

With my very most profound thanks to you, Mr. Hoover, for what you have done for this country, as well as my personal feelings of safety with you and your superb organization in charge of us here, I remain gratefully and

Sincerely

My dear Mr. Hoover,

As you can be sure of the necessity of life, I have, for several years been giving him books to add to his very fine (and partly my father's) library. Where possible, I obtain autographs for these.

For his 40th birthday, Nov. 24th, I have your book "Masters of Deceit" for him, which I expect to take personally to him in Lake Tuff, Illinois on the 27th, where my own birthday with him, his lovely wife, three sons and daughter (I will be sixty-two.)

And I will position it near the chair for him. He is a member of the James of Paris, Keller, Jackson & Curtis, (a banking firm (I think well known I believe.) Now, I can give you "referees" for us both.  
I moved to Colorado Springs <sup>Junction</sup> in 1924 and

after my marriage to Mr. Currie (now divorced) I had the pleasure of having "Dad" Truce, (Red Chief, as you know) drop in to visit with Mr. Currie often. "Dad" has been most kind to me writing notes for me to carry on several cross-country trips alone, in case I have any trouble. It is a great feeling of security to have that in my purse. But nowadays, "Dad" is so busy with the rig, Colorado Springs has grown, I did not bother him last year when I decided to drive into Canada, and did, all alone, from Denver to Banff. The only scares I had, fortunately, were seeing a wolf as I crossed Banff, and a moose about Lake Louise toward Jasper! I hope this summer's trip (with a California granddaughter of 12) to Victoria will be as calm a one!

I enclose a stamped envelope to write you, I pray, autograph, to be in Colorado. I have been in Santa Fe since January "sitting" in people's homes while they go on trips. It's a non-paying job I chose while I make up my mind whether to take to my rocking chair.

Live on in Colorado Springs. I like small towns,  
and so this one probably will be it. And  
the climate almost ideal, I think.

With my very most profound thanks  
to you, Mr. Hoover, for what you have done  
for this country, as well as my personal  
feelings of safety with you and your  
wonderful organization in charge of us  
here, I remain gratefully and

The captioned individual wrote the Director on May 5 regarding "Masters of Deceit." He strongly criticized the Director's words in Chapter 19 of the book captioned "The Communist Attack on Judaism."

It is obvious that [REDACTED] has very set views concerning the Jews and it is believed that correspondence with him would only serve to excite his dogmatic opinions.

Mr. J. Edgar Hoover, Director  
Federal Bureau of Investigation  
F. B. I. Headquarters,  
Washington, D. C.

Dear Mr. Hoover;

The writer has been much impressed with the newspaper installments of Masters of Deceit, UNTIL vainly trying to reconcile Part 21 with historical and current verifiable disclosures.

It is not a malicious myth that the international zionists and communists have something in common. Rather, international zionism is the blood-parent of communism. This not apply to the average Jew, among whom there are good Americans. The only thing for which the Jews are to be criticized is that they do not openly renounce their world leadership.

While it is true that the Jewish people first gave to the world the concept of a monotheistic God, is it equally true that their hypocritical religious leaders crucified the same Christian God for exposing their deceit and hypocrisy.

You have most masterfully exposed the hidden and imminent dangers of communism on the one hand - on the other, you have detracted the attention of the American people from the very class who are ceaselessly working for the destruction of our way of life and the Constitution - and this applies to many in high-level government areas.

An unbroken chain of events over a long period of time is NOT a series of coincidences - causal relationship must be considered. It cannot be sanely denied that international Zionist finance was the enabling factor in the communizing of Russia. Why is it that practically all of the high-level communists involved in transmitting defense secrets to Moscow have been of Jewish Origin? Why did B'nai B'rith parent so many "smear" campaigns against patriotic Americans.

Mr. Hoover, you have been identified as Mr. American for many years. It is generally conceded that you head the most efficient investigating agency in history. While it is known that your sole function is investigation and that you do not profess to be an authority on history or theology, many, many informed Americans will be at a loss to understand how you could fail to discern the relationship as between communism and international zionism. It appears that the communists are even more masterful in deception than appears on the surface.

# The Architects Behind The World Communist Conspiracy

*By Ron Gostick, Editor*

*The Canadian Intelligence Service*

"The Architects Behind the World Communist Conspiracy strips aside the censorship veil and shows the reader who and what are back of the world Marxist revolution, now consuming Christianity and mankind. It is increasingly alarming that the great newspapers dare not, and the radio networks cannot, reveal these facts, without which no man can understand Communism. I urge every man who loves liberty to read Ron Gostick's fine, honest little book."

# THE COMING RED DICTATORSHIP

ASIATIC MARXIST JEWS CONTROL ENTIRE WORLD AS LAST WORLD WAR COMMENCES. THOUSANDS OF PLOTTERS PLACED IN KEY POSITIONS BY INVISIBLE GOVERNMENT. FEW WERE EVER ELECTED.

I. The information printed here is not available from any of the regular channels of information which are controlled by our enemy.

II. Read carefully and judge for yourself about what is wrong with America.

III. UNLESS YOU ACT AT ONCE to stop this plot which has been steadily progressing for many years, and especially the past 20 years, and now has its key men in the desired positions of power, ready to pull the strings which will submerge Gentile humanity forever.

IV. Every Senator and Congressman is constantly voting on questions concerning the world crisis, yet few have the guts to tell the people what is back of the entire world crisis and to advocate measures to counteract it.

V. Rather than endure the smear that would come their way, many members of Congress are willing to sell their own future generations into slavery. Spinless creatures engrossed with the egotism of the

might lose advertising.

XV. The International Jewish Council met at Basle, Switzerland, in 1879 and drew up the "Protocols of the Learned Elders of Zion" as the formula for their plan to capture control of the world.

XVI. Jews claim the Protocols are forgeries. A forgery is an unauthorized copy of an original. The Jews never question the authenticity of the original Protocols which were written in Hebrew. The important fact is that the Jews are carrying the plot out to the letter.

XVII. The Russian revolution was financed by Jews, Jacob Schiff, Otto Kahn & Paul Warburg, of Kuhn, Loeb & Company, New York bankers. They advanced 48 million dollars and trained 276 Jewish revolutionaries in New York City on the lower East Side who were shipped to Russia in 1917 to direct the overthrow of the government and set up the present Communist government of U. S. S. R. They passed through Germany (with whom we were then at war) by permission of Paul War-

deliberate act) in 1921 and 1929, they brought on the depressions. (The Jewish plan—see the Protocols.)

Protocol XX, 24. "Economic crises have been produced by us for the goyim (Gentile) by no other means than the withdrawal of money from circulation."

This was written in 1905 and referred to the panic of 1893 which was caused by simply and suddenly withdrawing a large amount of gold from the New York Stock Exchange and sending it to Montreal. "The Federal Reserve Conspiracy" documents the details of this operation from economic journals and from little-publicized Congressional investigations. The money panics of 1907 (which occurred in a year of general prosperity), 1921 and 1929 were caused in the same way, and the details are similarly documented.

XXII. THE HOUSE OF ROTHSCHILD, Jewish banking house, loaned money to both sides in World War I (in line with the Protocols plot). Without such loans there

Lithuania have been digested by the Communist Jews)—with a few Gentile stooges to front for them. Two and a half million Jews in Russia occupy nearly all government positions and live in luxury with the finest cars and mink coats while the Gentile population lives in slavery and squalor as their slaves. LAZAR KAGANOVICH, Jewish father-in-law of STALIN, is the head man of the Soviet Union behind the scenes.

World War III is to exhaust the nations so that they will agree to a Jewish world government. The Jew-controlled United Nations is to be the world government; the flag of the United Nations is taken from the flag of Israel and Russia.

XXVIII. The world crisis is made by BERNARD BARUCH, FELIX FRANKFURTER, LEHMAN, JAMES PAUL WARBURG, LEWIS L. STRAUSS (of Kuhn, Loeb & Co., and who was recently appointed Chairman of the U. S. Atomic Energy Commission by EISENHOWER), ROTHSCHILD estate, MORGENTHAU, EIN-

stein and the rest of their Jewish conspirators.

XXXV. She was backed by BERNARD BARUCH for her position. She is a friend of EISENHOWER. BARUCH is the secret President of the United States. EISENHOWER is his mouthpiece. EISENHOWER, on BARUCH'S advice, opposes the BRICKER amendment so our Constitution can be set aside and world government set up, and the White Race destroyed.

XXXVI. Jew EINSTEIN caused the Atomic Energy traitor, KLAUS FUCHS, to be released from jail in Canada and brought to the U. S., where he acted as the world's leading atomic energy spy. EINSTEIN was a strong supporter of traitors JULIUS and ETHEL ROSENBERG. EINSTEIN in a letter to Jew WILLIAM FRAUENGLASS, New York teacher, ad-

importance of their positions and thinking they are the all-wise mentors of the nation passing on its vital questions, whereas they are guilty of the grossest hypocrisy of all times in evading the one and all important issue which is the foundation of all other questions. They are presiding over the dis-

burg's brother, who was the Kaiser's Chief of Espionage, and permission of the German Chancellor, Von Bethman-Hollweg (Jew). Trotsky and Lenin were the leaders. All attempted assassinations and assassinations of Czars were carried out by Jews.

XVIII. BERNARD BARUCH gave \$50,

would have been no war as neither side could afford war. But the Jews wanted war in order to have Gentile destroy Gentile, and to bring on world chaos and to seize power in the interim due to the emergencies created.

XXIII. WILSON put the U. S. into the war to bale out the Jewish banking interests

STEIN, and the rest of their Jewish conspirators.

XXIX. Why do Jews talk of the crisis we have with Russia? They control the governments of Russia, England, France, Israel, and the United States. The crisis is their own making, brought about by them in order to put us in a military straitjacket

vised all witnesses to refuse to answer questions before Congressional committees.

XXXVII. Jewish international banker forces that backed EISENHOWER for President also backed STEVENSON. TRUMAN followed the Jewish instructions. The Jewish international bankers promoting Communism in accordance with the

VI. Many members of Congress desire to lead a life of hypocrisy and escape the real issue, leaving it for others, who, in like manner, leave it for others, and all touch it not. Thus the internal enemy has a free and untrammelled field in which he is moving rapidly forward to the climax.

VII. Needed is a simultaneous effort of a large group of Senators and Congressmen to expose this plot because there is protection in numbers. The public could thus be aroused, and once aroused, would give them its support, and smear of individuals could not take place when a goodly number act simultaneously.

VIII. Communism is a Jewish world mastery plot.

IX. It is the Jewish plot to enslave the Gentiles and to rule over them as kings over slaves.

backed by WARBURG of Kuhn Loeb & Company on the promise that he would obtain passage of and sign PAUL WARBURG'S "Federal Reserve Act of 1913" which he did—which placed the banking reserves of the United States under the control of the Jewish international bankers. ROTHSCHILD, KUHN, LOEB, and LEHMAN, etc.

XIX. The public thinks the Federal Reserve banks are government owned, but they are privately owned, the geographic dispersal of twelve to represent decentralization just being window-dressing as they all are dependent on the Federal Reserve Bank of New York which is under control of the Wall Street Jewish international bankers.

XX. They collect the dividends resulting from the interest payments of the U. S. government on its bonds sold to the Federal Reserve Banks, financed by deposits of

Jews in complete charge of the United States — BERNARD BARUCH as head of War Industries Board, PAUL WARBURG as head of banking interests, and EUGENE MEYER who now owns the leftist paper "Washington Post" and also controls Allied Chemical and Dye, head of the Liberty Loan drive. BARUCH spent 10 billion dollars of allied money, giving his own companies the choicest contracts, on which he also could fix prices, and made himself a multi-millionaire by fleecing the people of the United States.

XXIV. BARUCH has spent his life carrying out the plot of the "Protocols of the Learned Elders of Zion" while representing himself to the public as "Elder Statesman" and "Advisor to Presidents". He pretends to be a patriot by advising America what it should do for protection against war crises which he and his gang has foisted on America in their plot.

XXX. Why did Truman in 1945, by appointing a five-man civilian board Atomic Energy Commission, appoint four Jews as members? Chairman DAVID LILIENTHAL, then shown to be a member of two Communist fronts, yet backed by BARUCH for the position. Other Jew members, W. W. WAYMACK, LEWIS L. STRAUSS and R. F. BACEWELL.

XXXI. Why does EISENHOWER now appoint LEWIS L. STRAUSS, Jewish EUGEN LOEB banker, as Chairman of the U. S. Atomic Energy Commission?

XXXII. Why did Eisenhower appoint Jewish Austrian-born Professor AETHEUR F. BURNS his Economic Advisor? (The Protocols say the Jews must occupy the positions of economic advisers).

XXXIII. Why did EISENHOWER appoint Jewish FRED A. HENNOCK Federal Communications Commissioner, and

lined in their "Protocols of the Learned Elders of Zion" have complete control of both the Democratic and Republican parties.

With their unlimited supplies of money, they can buy anything Protocol III. 11. With the aid of gold — which is all in our hands — we shall create universal economic crises which will bring industry to a standstill.

Protocol IV. 4. To give the Gentiles no time to think, their minds must be diverted — then all nations will take no note of their common foe.

XXXVIII. The U. S. is already captured. Its government is under the control of its eleven million Jews headed by the BARUCH, FRANKFURTER, LEHMAN, MORGENTHAU, WARBURG gang.

XI. To accomplish this they create wars, revolutions, and depressions in order to seize the power during the resulting chaos.

XII. For hundreds of years this has been the Jewish plan on the instructions of their Grand Sanhedrin of Constantinople in its Vengeance Protocol of 1492.

XIII. To do so, they have cornered the world's gold supply and have sold the world the fiction that gold is wealth, instead of the land and commodities being recognized as wealth. By their control of gold, they have enslaved all nations to them through loans. They hold the world in an economic straitjacket.

XIV. By their control of gold, they control the means of propaganda, smearing all newspapers and publications who do not kow-tow to their wishes, and also shutting off all foreign news they do not wish a nation's people to hear. Every regular newspaper in the land talks of the world crisis, but not one dares to inform the public of the Jew plot behind the crisis. They

commercial banks throughout the country — YOUR MONEY. The U. S. government pays interest on its own credit and the Jewish international bankers collect it. In 1946 on a national debt of 246 billion, the interest was 14 1/2 million dollars a day. Today, 1954, the National debt is 276 billion dollars. Can you see where the money power lies? By their control of gold the Jewish international bankers get richer while Gentile America gets poorer and poorer. In the "Protocols" they say they will drain the entire product of material and labor off the land into their treasuries.

XXI. The Congress "abdicated" in 1913 when it passed the Federal Reserve Act. The Board of Governors of the Federal Reserve Banks met behind closed doors and has more power than the Congress of the United States. Said Board of Governors is not responsible to the public nor is Congress and has repeatedly shown that it is under the control of the international banker. By raising the rediscount rate (a

BARUCH spent \$10,000 to bring the Communist church burners back from Spain where they burned religious leaders alive after covering them with kerosene. (Time Magazine, Jan. 2, 1939.)

XXV. World War II was forced on Germany by the Jewish international bankers who squeezed Germany financially for this purpose. Jew, SAMUEL UENTERMEYER, brought about the boycott of Germany in 1933 for this purpose.

XXVI. World War II was for the purpose of the Jews doing to Germany what they did to Russia in World War I, causing revolution and establishing Communism.

XXVII. World War III is being arranged by the Jews in order to bring the entire world into Communism, which is Jewish super capitalism, with the Jews controlling the government as they do now in the Soviet Union and all other Communist countries — Poland, Hungary, Czechoslovakia, Roumania, China (Estonia, Latvia and

Jew SAMUEL B. GRONER her assistant? The Protocols say they must control all communications.

XXXIV. ANNA M. ROSENBERG, attended Communist front meetings according to sworn testimony by RALEPH DE SOLA, hired 10,000 people for the Manhattan (Atomic Energy) project. (The New Yorker, September 15, 1945). This included the spies JULIUS and ETHEL ROSENBERG, GREENGLASS, SOBEL, GOLD, KLAUS FUCHS and others. SIDNEY FIELDS, writing in the New York Mirror November 15, 1950, describes the power ANNA had while in charge of the nation's manpower: "Tomorrow MRS. ANNA M. ROSENBERG assumes her duties as Assistant Secretary of Defense in charge of the nation's manpower. There are about 115 different U. S. government agencies concerned with manpower." Mr. FIELDS quotes Mrs. ROSENBERG: "Today we are in for a long pull . . . I would not dare estimate how long. Nobody would believe me.

160 million American Gentiles ruled by eleven million Jews. A nation within a nation. And in the world billions of Gentiles are ruled by 16 million world Jews.

XXXIX. DAVID SENTER, political writer, for the Hearst papers on July 6, 1953, states that the man behind the guns in the EISENHOWER administration is SIDNEY JAMES WEINBERG, Wall Street investment banker of GOLDMAN, SACHS & COMPANY. It is clear that the Eisenhower cabinet was handpicked by WEINBERG'S man, General LUCIUS CLAY, whom WEINBERG made Chairman of Continental Can. Jews WEINBERG and BARUCH rule EISENHOWER, that is definite.

ago. No longer are the three divisions of gov-  
ernment, Legislative, Executive, Judicial of equal  
power as was intended by the founding fathers.  
XII. Only the form of a Republic is main-  
tained, deceiving the people into believing they  
have a Republic. They have same on local level  
only, not on a national level.

XLII. The Executive is all powerful. Con-  
gress is powerless. By patronage and by  
strategy the Executive gets his way. He can buy  
legislation. Congressmen admit they have no  
check on the astronomical budget figures they  
vote for, and once voted, the Executive can  
spend it as will with no check up. The Executive  
appoints the Supreme Court Judges and so  
controls that also.

XLIII. The invisible Jewish government has  
been in control of the U.S. since F.D.R. took  
office, and also controls WINSTON CHURCH-  
HILL, England, France, the Soviet Union, Israel,  
Hungary, and Czechoslovakia, Poland, and Rou-  
mania.

XLIV. The land in Israel is owned by the

taken to Russia to be tried, without protection of  
the U.S. Courts and U.S. Constitution, and trial  
by jury. It makes it a crime to say anything re-  
flecting upon any race, or group, and this law  
the Jews want so they can proceed unhampered  
in their plot, and it will be criminal to accuse  
them.

(g) Universal Military Training is for the pur-  
pose of getting the young men of America under  
control of the Jews for 8 year periods and with  
the military whiphand over them, they will be  
forced to study and accept Communist propa-  
ganda. Those who accept will be given the ad-  
vancement and allowed to study for the posi-  
tions of doctors, dentists, lawyers, etc., but those  
who rebel against it will be chosen for floor  
scrubbers, etc.

(h) The Human Rights Covenant, drawn up  
by ELEANOR ROOSEVELT, DEAN ACHESON,  
and two Russians, gives the government of any  
member nation of the United Nations the right,  
if it thinks itself threatened, to curb the freedom  
of the press, and impose martial law, and to  
take over all industry and all labor.

we were not allowed to win the war.

Protocol 111 says "It is indispensable  
for our purpose that Jews, so  
far as possible, should not result in  
territorial gains; war will thus be  
brought to the economic ground....

Our international rights will then  
wipe out national rights, in the prop-  
er sense of right, and will rule the  
nations precisely as the civil law of  
States rules the relations of their sub-  
jects among themselves."

LIV. EISENHOWER advised the LEHMAN  
inspired legislation to admit 214,000 additional  
immigrants (mostly Jews, you will see) to re-  
place the Gentile Americans destroyed in the  
Korean war. Eighteen glib Republican Sen-  
ators sponsored this legislation which they would  
have voted against the previous year had TRU-  
MAN introduced it, but now they consider they  
have a "Republican" President. Since the end of  
World War II, ACHESON & Co. in five times as  
many immigrants as the law allows and 77 per  
cent of them were Jews. Congress stands supine

(g) He gave the Communists everything they  
asked in the truce negotiations, including giv-  
ing up the strategic island of Cho and two others.

(h) He is against tax reduction, although he  
had promised it.

(i) He has refused to clean out the Reds in  
government positions.

(j) He is against McCARTHY and never talks  
against the enemy from without. On line with  
the Protocols wherein they say they will divert  
the attention of the people while they do their  
work of the plot. "To give the Gentiles no time  
to think, their minds must be diverted... thus  
all nations will take no note of their common  
foe."

(k) He is for the United Nations [which is to  
be the Jewish World Government].

President COVANT as High Commissioner of  
Germany.

(m) He appointed the BARUCH-WEINBERG  
chosen BOILEY as Ambassador to Russia, he

will be short and so you must remember that  
the Jews pull the dictatorship, they will shoot  
you or put you in concentration camps. You  
have presided at the passing of the United  
States and the passing of the white race. You  
let it happen. Now get together in one mighty  
effort to stop it. This is reality. You have only  
one chance left and that is to arrange a simul-  
taneous outcry by a group of your fellow mem-  
bers of Congress to indict this conspiracy by  
the size of which the Capone gang and the  
Mafia are infants. The Jewish Anti-Defamation  
League, Mrs. Frankfurter, the American Jewish  
Congress, are subversive conspiracies carrying  
out the Jew plan. They are a "Gestapo" in  
every community. The Jewish communities  
everywhere must cooperate—none show up.  
They have been taught it for hundreds of years.  
The Protocols of Zion are being fulfilled. Act  
now or your posterity will be slaves forever!  
BENJAMIN FRANKLIN predicted this in his  
Convention Speech in 1784, and you have carried  
it out and brought it to the point at which the  
trap is about to snap. Get together at once and  
undo it or be prepared to take the consequences

STINE ECONOMIC CORP. represented in the  
United States by the National Jewish Fund.  
Arabs had occupied part of this land for 1,800  
years and part 1,700 years. The Jews came in  
from other parts of the world and murdered the  
Arabs and pushed nearly a million into the  
desert where 850,000 still exist.

XLV. WINSTON CHURCHILL sent his war  
time messages to ROOSEVELT through BER-  
NARD BARUCH who had his apartment in the  
Waldorf-Astoria in New York.

XLVI. ANTHONY EDEN recuperated from an  
illness at the Rhode Island home of the daugh-  
ter of Jew, OTTO KAHN, one of those who  
financed the Russian revolution. Mrs. OTTO  
KAHN was feted by Bolshevik Russia like an  
empress.

XLVII. THE JEW PLAN

(a) To cause wars to consume the American  
Gentile manpower which should be the seed of  
this nation.

(b) To replace the consumed American Gen-

tle by while all this goes on as though it were a  
little child and not supposed to know.

This is the means they intend to use to spring  
the trap on the United States and take over the  
government with their dictatorship. They are  
also pushing to do the same thing by urging  
passage of standby mobilization legislation, for  
which BARUCH appeared before Congressional  
committees and for which he has made public  
speeches in advocating that the President be  
given complete authority to mobilize everyone  
from 17 to 70, in event of attack or threat of  
attack by Russia, a threat he and his gang will  
bring about at the desired time, because they  
control the government of the Soviet Union, as  
well as of England, France, Israel, and the  
United States.

THE PASSING OF THE WHITE RACE

XLVIII. Jews keep themselves segregated and  
do not intermarry but they want the Gentiles  
to intermarry with colored races. Why not, then,  
the Jews? Oh, no, they consider themselves "the  
chosen people" to rule over all the other races  
of the world.

This plot could not go on if the newspapers

by while all this goes on as though it were a  
little child and not supposed to know.

LIV. HENRY MORGANTHAU JR., Secretary  
of the Treasury, with HARRY DEXTER WHITE,  
Under Secretary and Communist who committed  
suicide when exposed and HAROLD GLASSER  
—all Jews in charge of our Treasury—gave to  
the Communists money plates complete with  
three plane-loads of secret ink and four plane-  
loads of secret paper for printing our money in  
East Germany to pay two years salary to Com-  
munist soldiers. Jewish refugees brought mil-  
lions of this money to the U.S. to set up in bus-  
ness.

LVI. More Koreans are to come in the future,  
to consume more American manpower which  
should be the seed of this nation. We now have  
our men scattered in 63 countries, according to  
U.S. News and World Report Dec. 25, 1953.

LVII. More letting down of the Immigration  
Laws is to come, to let in more Jews to take the  
place of the consumed American Gentiles.

preter and advisor, who still contends the Malta  
and Tehran decisions were right.

(n) He appointed the ROOSEVELT-TRUMAN  
favorite General WALTER BEDELL SMITH as  
Undersecretary of State, who is one of the five  
men who knew the Japs were on their way to  
attack us at Pearl Harbor and did not alert our  
forces there.

(o) He sponsored the legislation to admit 214,  
000 additional aliens in the next three years and  
secured its passage.

(p) He is against the WALTER-McCARRAN  
Immigration Law.

(q) He is for raising the debt limit of the Unit-  
ed States.

(r) He is for keeping up the foreign spending  
to finance socialistic governments in other coun-  
tries while tearing down the United States.

(s) He is against bookburning but wants U.S.  
citizens taxed to supply Red slanted books to  
foreign libraries.

(t) He is for Universal Military Training, and

and you and your posterity, will be wiped out  
or go into slavery forever. There is no time to  
delay.

In case you think we are prejudiced, history  
for more than 1,000 years indicates that where  
ever these people have settled, it was necessary  
to evict them eventually—Babylon, Spain, France,  
England, and as recent as 1939, Germany, and  
it will happen in America.

### What You Can Do

TO U.S. SENATORS and CONGRESSMEN

1. Organize into a group willing to save  
America by simultaneous action.
2. Outlaw Communism.
3. Make treason during peace time a crime  
punishable by death.
4. Outlaw the Anti-Defamation League,  
American Jewish Congress and American  
Jewish Committee.

TO STATE LEGISLATORS IN THE 48 STATES:

bles with Jewish immigrants from Europe and Asia.

(c) To consume the money of the American Gentile population by the direct and indirect taxes necessary to pay the interest to the Jewish international bankers on the national debt and to pay national budgets brought about by the cost of the wars and the preparation for wars.

(d) To enforce non-segregation in order that intermarriage of white and colored races (which always results in colored offspring) will be brought about and thus cause the passing of the white race, which race the Jews consider their only obstacle to the fulfillment of their protoplasmic plot, as they feel their superior intelligence (as they call it) will enable them to easily rule over a world of colored races.

(e) To set aside our Constitution by means of

of the country would inform the people. Papers daily speak of the world crisis yet not one of the regular commercial dailies has the guts to come out with the truth of the Jew plot. They would lose some Jewish advertising dollars... so better to have wars and the dissolution of the United States and the passing of the white race than to lose those precious Jewish advertising dollars. The newspapers need to also arrange a simultaneous exposure of the plot.

**LXIX.** Jews brought on World War II and its aftermath, had us fight it in order to remove the two barriers, Germany and Japan from Russia, expansion in order to make the present World crisis.

**L.** The Jews caused the stooge **TRUMAN** - **ACHESON** gang to build up Russia to present a threat to the United States which they could then use to put the United States in a military

dictatorship straitjacket, which is fast on the way.

**LII.** The Jews caused **E. D. ROOSEVELT** to give Manchuria and Poland to the Communists and to divide Germany... see the results. **FRANKFURTER**, directing the State Department gave China to the Communists and sent General **MARSHALL**, their stooge, to spend 18 months breaking down enemies of Communism in China.

**LIII.** They caused the Korean war to follow by having the U.S. refuse to arm the South Koreans, although knowing Russia armed the North Koreans to the teeth, and by withdrawing our troops and announcing we would not defend Korea. Colonel **ALFRED G. KATZIN** was U. N. representative to Korea, now in charge of all U. N. personnel. Why worry about military security when Jews are in such key positions?

**LIII.** This caused the invasion they desired, then they threw our troops in there without consent of Congress, in violation of Public Law No. 294, but caused adoption of the policy whereby

built up enough so that Russia can win then the Jews will bring about World War III to exhaust the white race so that the remnants left will submit to world government in desperation, which will be a "Jewish World Government".

**LX.** They state they will then forbid the intermarriage of whites with whites. Whites will be allowed only to marry colored people in order to dissolve the white race.

**LX.** After they get the United Nations "Human Rights Covenant" passed, which gives all member governments the right to impose martial law if they consider themselves threatened, they will have their Russian friends perpetrate an event which they will call a national threat, enabling the government to put the United States under martial law, and then you will actually have in

counties he has handled six of those in favor of it, and appointed **JULIUS ADLER**, a Jew, as Chairman.

**LXII.** Eisenhower has moved the Jews into top position in our government, in readiness for the day when they will "snap the trap."

(a) He has appointed Jew **LEWIS L. STRAUSS** as Chairman of the Atomic Energy Commission. STRAUSS is a member of **KUHN, LOEB & CO.**, investment bankers.

(b) He has appointed Jew **ARTHUR F. BURNS** as his Economic Advisor.

(c) He has appointed Jew **MEYER ROBERT GUGGENHEIM**, Ambassador to Portugal.

(d) He has appointed Jew **LOUIS ROTH SCHILD**, Chairman of the Maritime Board.

to save America by talking simultaneous action.

2. Outlaw the Anti-Defamation League, American Jewish Congress and American Jewish Committee.
3. They have trained "Military Government Units" and in a trial run in nine cities moved in and imposed Martial Law in the name of the United Nations. This was a dress rehearsal for what is to come.
4. Eisenhower's reorganization of the defense system is the **BARUCH Plan**, which puts the final authority in one man, the Chairman of the Joint Chiefs of Staff.
5. The State National Guard units everywhere have purposely been prevented from getting ammunition and equipment by the Federal Government. This is to prevent them from resisting the "take-over" when it comes.

(a) In any world government we will have 7 per cent of the vote being 7 per cent of the world's population. They will outvote us and will ship millions of black and yellow people into the United States and with non-segregation laws, the white race will melt away, which is the Jew plan.

(b) Fair Employment Practices Commission, FEPC, the Genocide treaty, the Human Rights Covenant, and Universal Military Training are all Jewish Communist measures pushed by the Jewish controlled United Nations.

(c) FEPC is to force employers to hire Communists and colored people with no freedom of choice, in order to break down white control of industry and also to bring about intermarriage of whites and colored by non-segregation in industry, to further the wiping out of the white race.

**LXI.** **EISENHOWER** is completely subservient to the Jewish plotters and is carrying forward their Protocols Plot steadily.

That is why?

(a) He is against the Bricker Amendment because he wants the United Nations to be able to set aside our Constitution, which will bring the deification of America, and the setting up of Jewish World Government under the United Nations.

(b) He proposed and secured passage of treaties making our soldier boys subject to foreign courts. Surely he cares naught about protecting our American boys.

(c) He refused to blockade Red China.

(d) He refused to cut off aid being given to our so-called allies, who were trading with Red China.

(e) He refused to enable **CHIANG KAI-SHEK** to invade the mainland.

(a) He appointed Jewess **FREDA HENNOCK**, Federal Communications Commissioner.

(b) He has appointed Jew **SAMUEL E. CHONER**, Assistant Federal Communications Commissioner.

(c) He has appointed Jew **MAX RABB**, his White House Assistant.

(d) He has appointed Jew **JACK MARTIN**, liaison man between White House and Congress.

(e) He has appointed Jew **CLARENCE D. DILLON**, LAPOWSKI Ambassador to France.

**LXIII.** The Gentiles have been willing to share America with the Jews, but the Jews are not willing to share America with the Gentiles. The Jews want it all, and to make the Gentiles their slaves.

**LXIV.** The Jews cry Anti-Semitism whenever accused, but the correct name of Anti-Semitism is "Jew conscious". If a group is guilty of a crime against others, then they should be deced as a group, just as you would deced the Capone gang, or the Mafia, for the same reason.

Order from **COMMON SENSE**—The nation's Anti-Communist paper, 530 Chestnut St., Union, New Jersey

12 October, 1955.

Mr. Henry E. Schultz.  
National Chairman  
Anti-Defamation League  
of B'nai B'rith  
205 East 42nd Street  
New York 17, N.Y.

Dear Mr. Schultz:

Your letter of 4 October, 1955 with enclosures received and I want you and your organization to know that I forcefully resent what you have said or implied.

First, I want to make it clear that I am not, nor have I ever been, anti-Jewish. I have many Jewish friends throughout this country, who are loyal honest Americans.

As for your use of the meaningless expression "anti-Semitic" it makes no sense. According to the dictionary, the word Semitic pertains to the descendants of Shem which includes Assyrians, Hebrews, Ethiopians, Arabs, Abyssinians, etc. It also pertains to the Semitic languages collectively. Therefore, how any one person or group of persons could be anti-Semitic is beyond my understanding.

Who are you and your organization to tell me what I should read and what I should recommend other loyal American citizens to read? And, by the way, just what is the purpose of your organization?

Not until I read John Beatty's book "The Iron Curtain Over America" did I learn what was going on back in The United States of America while I was overseas fighting for my country.

I think every loyal citizen of our country whether he be Protestant, Jew, Catholic or Mohammedan should read "The Iron Curtain Over America". I do not consider that book anti-Jewish in any sense of the word. In fact, I consider it a defense of all loyal American Jews and every Jew that loves these United States of ours should read it.

What connection exists between Mr. John Beatty and Mr. Gerald K. Smith I have no knowledge as I do not know either gentlemen. I did authorize Mr. Beatty to use my letter to him and that is no one's business but my own.

When The United States of America reaches the point where a citizen cannot read what he desires to read and to recommend such reading to others then we will have reached the status that exists in Soviet Russia. But, THANK GOD, we are still free men in America. As I interpret your letter your organization would have the people read only what you think should be read and recommended to others. This I resent as a free American citizen.

I do not understand what you mean by your statement "We do not propose to burden you at this point, etc." Is this a veiled threat to my free expression and thoughts? If so, this I also resent.

Your letter is the most outrageous communication I have ever received in my life and I intend to give it the widest possible publicity, including my many Jewish friends.

Sincerely,

  
George E. Stratemeyer

# GENERAL GEORGE STRATEMEYER CHALLENGES JEWISH ANTI-DEFAMATION LEAGUE

## Hero of the Korean War Gives Courageous Reply to Coercive Letter from Jewish Pressure Machine

Reproduced herewith is the letter which Henry Edward Schultz, National Chairman of the Jewish Anti-Defamation League, wrote to General George Stratemeyer, urging him to repudiate Gerald L. K. Smith and Colonel John Beatty, author of the great book "The Iron Curtain Over America." After you have read the Schultz letter, don't fail to turn the page and read General Stratemeyer's reply. It will encourage you to know that such people as General Stratemeyer are still alive.

appear to be irritating only in a local sense. Then he made his debut as a national anti-Semitic propagandist with the publication of "Iron Curtain Over America".

We do not propose to burden you at this point with our detailed analysis of the book; suffice it to say that it is a compilation of anti-Jewish lies and distortions which have caused it to become a kind of primer for lunatic fringe groups throughout the nation.

Lest you feel that ours is a partisan Jewish view of this book, we would point out that "Iron Curtain Over America" has been denounced by the Methodist publication Zions Herald. Others who have condemned it are Father J.J. Mulloy of the Jesuit High School of Dallas; Dr. Orval Watts in the publication Faith And Freedom; and William Henry Chamberlain in the Chicago Tribune. (Photostatic copies of these condemnations are enclosed.)

Finally, you should know that, as a result of his activities, Professor Beaty was censured in May, 1954 by the Board of Trustees of Southern Methodist University.

In view of the foregoing, it is our feeling that you may want to consider the advisability of some public action which can assure the American people, who hold you in such high regard, that you repudiate religious hatred, as we know you do, and the use of your name by Professor Beaty and Gerald L.K. Smith.

We would appreciate your response which we hope will relieve the concern that has been expressed to us by the many people who have seen Gerald-Smith's newest leaflet.

Sincerely yours,

Henry Edward Schultz

Winter Park, Florida

Dear General Stratemeyer:

It is never a pleasant duty to impose distressing problems upon public personalities such as yourself, and for some time it had been our hope that this letter to you might become unnecessary.

Just a year ago, the publishers of "Iron Curtain Over America" began distributing, as part of a sales campaign, copies of what purported to be a letter from you to John O. Beaty, the author, endorsing this volume and recommending it to Americans in general.

At that time we withheld writing you because we felt that inevitably the facts about Mr. Beaty and his book would be brought to your attention and that you would then take appropriate action. A year has gone by and we now find that "The General Stratemeyer Letter Written to Col. Beaty" is the subject of a flyer being distributed by Gerald L.K. Smith's Christian Nationalist Crusade. Enclosed is a photostatic copy of that leaflet, which you will note acknowledges unashamedly that "Iron Curtain Over America" is anti-Jewish.

This leaflet is being distributed in large quantities and thus links your name widely and publicly with the anti-Semitism of Gerald Smith and John Beaty. We take it for granted that you are familiar with Smith's long and notorious record as an anti-Jewish hater. Perhaps you are not as aware of Mr. Beaty's record.

Professor Beaty is no newcomer to the field of anti-Jewish propaganda. As long ago as 1948 he was delivering anti-Semitic lectures in the Southwest. Until December 1951 his activities were confined to desultory speaking engagements whose effects

Why? Why? Why? is the Jewish Anti-Defamation League so desperately afraid that the American people will read the great book "The Iron Curtain Over America," written by Colonel John Beaty, and endorsed so enthusiastically by General George Stratemeyer. Every intelligent American should have a copy of this book. Send all orders to the Christian Nationalist Crusade, P. O. Box 27895, Los Angeles 27, California.

Reference is made to the attached letter dated May 5, 1958, from the above-captioned individual. The letter makes mention of "Masters of Deceit" and then launches into a long tirade about the capitalist system. Pepin says: "Who then is bringing about the Bolshevization of the world - but the capitalistic system of starvation and privation in a state of overabundance?" He also is critical of the Director in relation to crime. He says: "...yet it has taken this long for the Head of the FBI to come out openly and denounce the glorification of crimes."

Bufiles reflect that Pepin has been associated with the Communist Party and has been interviewed by Bureau agents in communist investigations. According to 100-9856-83 (1953) Pepin was white, approximately 51 years of age, and employed as a building engineer. He never joined the Communist Party, but submitted an application for membership in 1936. From 1936 to 1940, he was in contact with numerous members of the Party.

RECOMMENDATION:

That the attached letter from Pepin not be acknowledged.

You are prone to point out that those fakirs <sup>who</sup> professed belief in Judaism, Protestantism or R.C. do not make them really so. Why then do you not also admit that their pretense at having established a communistic philosophy of economics in Russia do not make it so?

Surely you are well aware that communism does exist in reality in many religious organizations, fraternal orders, convents, monasteries of various denominations.

In our world wide struggle to perpetuate

the lie, deceit & corrup-  
 tion of Capitalism upon  
 mankind, have we not

 in their attempt to foist  
 upon mankind a Godless

Who then is bringing  
 about the Bolshevization  
 of the world - but

The Capitalistic system

Our own crime rate

Can there be so much

Your local F.B.I. files  
will prove I am neither

show a little difference between the masters of Deceit on either side of the Iron Curtain.

When Capitalism is in the death combat of its final struggle, as it inevitably will, it too will adopt any means to remain alive.

Because you and I, Sir, are living well under Capitalism, seems a rather unchristian reason to want its continuance when the you & I's represent such a small part of the world's population.

Dear Sir:

I have just finished the last chapter of your "Masters of Deceit."

For one who has very closely, and at 1st hand, observed the operations of those diabolical creatures that you call communists, I can readily subscribe in toto to your accurated & detailed description of their operations.

Yes, Sir - why do you "go along" with the grand deceit that the Bolshivik autocracy in Russia is even remotely communistic or even socialistic?

You are prone to point out that those fakers who professed belief in Judaism, Protestantism or R.C. do not make them really so. Why then do you not also admit that their pretense at having establish a communistic philosophy of economic in Russia do not make it so?

Surely you are well aware that communism does exist in reality in many religious organizations, fraternities, convents & monistaries of various denominations.

In our world wide struggle to perpetuate the lies, deceit & corruption of Capitalism upon mankind, have we not joined the Masters of Deceit in their attempt to foster upon mankind a Godless system of enslavement, by using a false name - in exactly the same way as we "pretend" that our dollar Idolatry is Christian.

Is it not true, Sir that without the "Fronts" the so called commies would be impotent? And Sir, is it not the outrageous inequities of our pseudo Democracy that make the Fronts possible?

Who then is bringing about the Bolshivization of the world - but the capitalistic system of starvation & privation in a state of overabundance?

Our own crime rate and (?) is increasing by leaps & bounds, yet it has taken this long for the Head of the F.B.I. to come out openly & denounce the glorification of crimes. Even then he did not seem to dare to name names.

CONGRESSIONAL RECORD — APPE

J. Edgar Hoover and Communism

EXTENSION OF REMARKS

OF

HON. THOMAS J. LANE

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 8, 1958

Mr. LANE. Mr. Speaker, under leave to extend my remarks in the Record, I include an article which summarizes J. Edgar Hoover's new book entitled "Mas-

ters of Deceit" devoted to the study of and combat against communism. This article appeared in the ELKS magazine, issued for May 1958;

J. EDGAR HOOVER AND COMMUNISM

The Order of Elks was the first national American organization to condemn communism.

That action was taken at the grand lodge session of 1919.

That same year a young man named J. Edgar Hoover, a special assistant to the Attorney General of the United States, was assigned to prepare a legal brief on the newly formed Communist Party.

Since his acceptance of the responsibilities of the Directorship of the Federal Bureau of Investigation, Mr. Hoover has, naturally, devoted himself earnestly to the study of and combat against communism in this country.

From time to time, articles by him pertaining to this subject have been contributed by him to the ELKS magazine and have been read with appreciation and benefit by the members of the order.

In the foreword of a book just issued, entitled "Masters of Deceit," Mr. Hoover tells of the depth and breadth of his studies of communism and states that he concluded his 1919 report on the subject as follows:

"These doctrines threaten the happiness of the community, the safety of every individual and the continuance of every home and fire-side.

"They would destroy the peace of the country and thrust it into a condition of anarchy and lawlessness and immorality that passes imagination."

His conclusions, he says, remain the same today and he adds that communism is the major menace of our time and threatens the very existence of our Western civilization.

When one concludes the reading of Masters of Deceit one cannot fail to be thoroughly convinced Mr. Hoover has proven his case.

We have read several reviews of the Masters of Deceit, but none which we feel does justice to the book.

We shall not attempt a review. An effort to give full justice to the book would require another 300-page publication and then fall short.

In brief, let us say that Mr. Hoover is the only man who could have written this book.

He covers the history of communism from Marx and Engels through Lenin and Stalin to Khrushchev and substantiates all charges of deceit, oppression, and murder by special instances.

He treats communism in the United States in the same manner, giving names, dates and instances.

He shows the great deceit and danger not only of definite Communist groups, but also of fronts and fellow travelers.

In short, it is a book that ought to be read by every American citizen interested in the preservation of the freedom we now enjoy. It should be in every library in our country and made a textbook in our schools.

All loyal American citizens of our country owe a debt of gratitude to J. Edgar Hoover, the author of Masters of Deceit.
